

CELEBRATION OF EXCELLENCE IN EDUCATION DINNER

The Las Cruces Public Schools Foundation annually recognizes outstanding teachers and students during our *Celebration of Excellence in Education Awards Dinner* held in April of each year. This is a time for us to celebrate individuals who have shown extraordinary accomplishments and hard work throughout our district. We will present the following awards at the dinner:

LCPS Teacher of the Year

National Merit Scholars

National Hispanic Scholars

National Board Certified Teachers

Sandra K. Nakamura Professional Development Excellence Award

Over the past 19 years, the Las Cruces Public Schools Foundation has enriched the educational experiences of many students, teachers, administrators and community partners through our Teacher Mini Grant Program, Scholarships, Comcast Cares Day, the Celebration of Excellence in Education Awards Dinner and many other programs. We have been able to do this through the generous support of individuals and business partners like you.

In order to make the *Celebration of Excellence in Education Awards Dinner* possible, we ask for sponsorships from valued businesses and supporters of the Las Cruces Public Schools. Sponsorships help us underwrite the cost of the event by providing complimentary tickets for honorees and their families, cost of the awards, and other costs associated with the event.

On the back of this sheet is the sponsorship form for the *Celebration of Excellence in Education Awards Dinner*. The *Red Apple Sponsor* has historically been secured by **Century Bank** but all other levels of sponsorship are always available.

We know you have a choice when making donations and we hope we can count on you to continue your strong commitment to quality education and the important work of the Las Cruces Public Schools Foundation. If you would like to discuss this further, please do not hesitate to contact us at:
